

COMPLEX MANAGEMENT RENT

amber-rest APARTMENTS FOR RENT is a branch of the P+P company. The company manages the rental of real estate and specializes in the rental of offices and apartments.

P+P has been operating since 2003. constantly developing. Our portfolio already includes rental of offices in Szczecin and rental of apartments in Szklarska Poręba.

Based on our previous experience, we start managing apartments by the sea as amber-rest.

amber-rest APARTMENTS FOR RENT is a response to the needs of customers who, when buying an apartment, want to earn rental income without their own involvement.

We offer comprehensive rental management of your apartments. Thanks to us, you can get full transparency and maximize rental profits. Give us the keys to your apartment, and we will take care of guest service, cleaning, and supervision of the technical condition and billing.

WHAT DO WE OFFER TO THE APARTMENT OWNER?

Comprehensive apartment management:

we will suggest what to equip the Apartment with to make it as attractive as possible for the Guest, we will provide a cleaning service that will take care of cleanliness, freshness and comfort of staying in the Apartment, we will prepare the settlements.

Profit maximization:

a special algorithm of pricing plans has been prepared, which allows us to set the price on an ongoing basis so that it brings the highest possible profit, directing the offer of the new Apartment to our regular guests will allow us to obtain the first reservations in a short time.

Our service consists in comprehensive apartment rental management. This allows the owner to get full transparency and maximize rental profits.

Calendar access:

we will perform a professional photo session and presentation of the Apartment, we deal with the promotion and marketing of the offer based on many partner websites, we maintain high positions on booking portals, i.e. booking.com, airbnb, nocowanie.pl, etc.

Marketing and promotion:

we care about the comfort of our guests by providing the best hotel linen, we quickly respond to minor defects affecting the quality of the Apartment, we control the work of the cleaning service and the conservator, thanks to which we are sure of the highest quality.

Comprehensive care:

the owner can check, verify and add owner's reservations on a dedicated account on an ongoing basis, we do not limit owner reservations as to the number of days in a year.
